HERBAL GARDEN PROJECT:

"Work is Life" culture of Jain Irrigation Systems Ltd. (JISL) has done commendable work in converting wasteland into Herbal Garden within 5 years. Work of the wasteland development of about 218 acres behind Medical Institute was started on October 2nd, 2002 and developed into Herbal Garden by Jain Charities through JISL. Water is brought by a 5-6 Km. pipeline from Pawnar river. Presently Aonla (22000), Ritha (50), Karanj (103), Neem (292), Ashoka (155), Custard apple (105) have been planted under drip irrigation. 80% of Aonla plants were grafted on the site and 20% grafted plants were procured. Aonla plants started bearing fruit. Some medicinal plants like Ashwagandha, Adulsa, Shatawari are planted on trial basis. Water harvesting is also done on the agricultural land. Herbal Garden is developing as an ideal area for nearby farmers and agricultural officers to get latest information about new techniques in the field of agriculture.
