

## *Quotable Quotes . . .*

**Gandhi Talisman:** *"I will give you a talisman. Whenever you are in doubt, or when the self becomes too much with you, apply the following test. Recall the face of the poorest and the weakest man [woman] whom you may have seen, and ask yourself, if the step you contemplate is going to be of any use to him [her]. Will he [she] gain anything by it? Will it restore him [her] to a control over his [her] own life and destiny? In other words, will it lead to Swaraj [freedom] for the hungry and spiritually starving millions? Then you will find your doubts and your self melt away".*

**- Mahatma Gandhi**

*"Our knowledge of science has already outstripped our capacity to control it. We have many men of science, too few men of God... Man is stumbling blindly through spiritual darkness while toying with the precarious secrets of Life and Death. The world has achieved brilliance without wisdom, power without conscience."*

**- Omar N Bradley**

*When you are inspired by some great purpose, some extraordinary project, all your thoughts break their bonds; your mind transcends limitations, your consciousness expands in every direction, and you find yourself in a new, great and wonderful world. Dormant forces, faculties and talents become alive, and you discover yourself to be a greater person by far than you ever dreamed yourself to be.*

**- Patanjali**

*One can outgrow environment by  
diligent application, patience, perseverance, truthfulness,  
honesty, integrity, sincerity of purpose  
iron will and strong determination*

**- Shivananda**
