

Smt. Hansaji Jayadeva Yogendra
Director, The Yoga Institute
Santacruz, Mumbai

MESSAGE

The need of the hour is simple living, self reliance and heightened awareness of the self and people around. Strong values have to be reflected to the duty concept. Vyasa in the Mahabharata has said "If everyone would do his duty well, everything would be achieved".

We appreciate the good work done by Arogyadham Mahatma Gandhi Institute of Medical Sciences and Dr. B. C. Harinath and his team. We wish the symposium all success.

Hansaji Jayadeva Yogendra
